

session 11: **handout** SMALL GROUP ASSIGNMENT

1. What three things could Angie do to make her relationship with Michael healthier?

2. What specific skills does Angie need to work on?

3. What three things could Michael do to make his relationship with Angie healthier?

4. What specific skills does Michael need to work on?

5. In what ways would having a child together complicate their relationship?
Imagine the two of them making a decision about establishing paternity or if Michael were required to pay child support – how do you think that would work out for them?
